

Post-Summer Reflection Questions Flash Cards

Idea generated with Allison Krabill, Jack Schott
Created by Maggie Mitchell

Suggested Directions

1. Print flashcards on cardstock (regular paper works too)
2. Cut and laminate flashcards
3. Punch hole in top left corner of each card
4. Put a keyring through the hole (or zip tie, string, etc.) to keep flashcards together
 - a. You can make multiple key ring sets of the flashcards to hand out to your leadership staff if you'd like to debrief in small groups
5. The key rings can be passed around to counselors to choose their debrief question, or the leadership staff member can select which questions to ask the whole group
6. There is a blank template attached at the end if you'd like to create your own debrief questions
